Objectives

Increases academic success by educating students on note-taking and good study habits. Committed Teacher always pursuing ways to boost support and better serve students. Specializes in Java. Currently, I am a final-year student pursuing a B.Sc. in Computer Science. I have taught many students Java programming as a part-time tutor and I have completed my Java certification course through Udemy. My interests also include Android development. Having a passion for software development has made me an enthusiastic learner.

Education

B.Sc. Computer Science (June 2022)
▶ Pursuing (in Final year)
XII PCM (2017-2019)
▶ 58.50% (CHSE Board)
X (2016 – 2017)
▶ 81.17% (State Board)

Experience

Fresher (No experience)
Private Tutor(February 2019 – Current)
Coding Tutor

- Optimized tutoring strategies based on current approaches, technology options and individual student needs.
